♥ IL RIPOSO – THE DAILY ART OF THE LONG LUNCH, SERVED MONDAY TO FRIDAY AT PIZA E VINO ♥

OPINION · THE MIDDAY HOURS

CLOSE THE LAPTOP

it can wait. it's time to eat.

by the Piza e Vino Kitchen

In Italy, the midday meal is not an interruption of the working day. It is the day. The shutters come down, the table fills, and the hour belongs to the food and the company at it. They call the pause riposo, and they guard it. We have borrowed the idea wholesale. Eleven till four, Monday to Friday. No counter queue, no clingfilm, no eating standing up. Sit down, order properly, and let the afternoon start a little later. The emails will keep. The pizzette will not.
