

# WINE OF THE MONTH

## The Glass Collection

Inspired by May de Lencquesaing's beloved collection of glass art, this range showcases the unique terroir and grape cultivars planted on the estate.

The Glass Collection Merlot boasts a **deep ruby-red hue**, exuding aromas of **dark fruit, cherry, and chocolate**, complemented by subtle notes of **spicy plums**. On the palate, this Merlot delivers remarkable **richness and concentration**, with generous layers of fruit. Its fine, well-structured, and perfectly balanced tannins create a **harmonious and indulgent wine experience**.

**GLENELLY**  
STELLENBOSCH

The Glass Collection Chardonnay shines with a bright, brilliant color and a subtle green hue. It offers intricate **aromas of blossom, citrus peel, and limestone**. On the palate, this Chardonnay delights with its **smooth, comforting texture**, remarkable length, and intense fruit complexity, delivering a truly **elegant and memorable wine experience**.

Le Rosé de May captivates with aromas of **fresh wild strawberries, cranberries, and sweet spice**, evoking the charm of sunlit summer days. On the palate, a **vibrant burst of pomegranate** unfolds, delivering a **harmonious blend of fullness and energy**. Balanced acidity enhances its elegance, leading to a long, lingering finish that leaves you **longing for more**. This Rosé is **Sulphur Free**.
